

Communication

Date	15 March 2026
Team ID	XXXXXX
Project Name	Rising Water
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	WhatsApp Group + Google Meet 15min	All Team Members, Team Lead	Discuss yesterday's work, today's tasks, blockers
2	Progress Update	Weekly	Google Meet + Shared PPT	Team + Mentor/ Faculty	Show completed modules, plan next week
3	Issue / Bug Discussion	As Needed	WhatsApp Group + GitHub Issues	Devs + QA + Team Lead	Resolve bugs, sensor/API errors quickly
4	Stakeholder Review	Bi-Weekly	Zoom Call	Team + Project Guide + Client	Get feedback on UI, features, alerts
5	Final Demo Rehearsal	Once	Google Meet	All Team Members	Practice presentation flow and Q&A
6	Documentation Review	Weekly	Google Docs Comments	All Team Members	Review README, PPT, and report updates

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Delayed responses in WhatsApp group	Fixed a daily 15-min standup call at 6 PM. Assigned a "SPOC" to collect updates if someone was unavailable
2	Miscommunication on task ownership	Created a shared Trello board with clear task assignments and deadlines. Weekly review done to avoid overlap
3	Poor internet during stakeholder review calls	Recorded all meetings and shared notes + PPT on Google Drive. Took feedback asynchronously via email
